

Ms. Cologna's Class Newsletter

October 3, 2016

It's already October! The weeks are passing by quickly and your students are making great progress. Students have been earning a lot of Dojo points for completing work, and making good choices in class. Ask your child what prizes they have bought! I have started sending home book bags with books close to your child's reading level. These books are for your child to read, preferably a loud. When they have completed their books, they can be exchanged for a new book.

Students of the Week:

Being Productive: Gigi

Please be sure to schedule a conference time using Online Scheduler or see me to make an appointment! I can accommodate other dates and times as needed.

Skills for October:

Math:

Story Problems, Addition within 200, place value, adding 2 digit numbers, money

Language Arts:

Characters, setting, events, key details

Science:

Needs and characteristics of living things

Writing:

Opinion writing and How-To writing

Upcoming Events:

October 10th: Picture Day

October 11th: Aquarium Rainforest Van

October 12th: Hogle Zoo Science Presentation

October 17th-18th: SEP Conferences

October 20th-24th: UEA Break
